## Financial Underwriting Guidelines

Updated October 2011

Underwriters will generally follow these guidelines but can use their own judgment and discretion in determining the appropriate amount of coverage, depending on case specifics.

Income Replacement - For non-working spouses, consider the same amount as on the working spouse

| Age | Multiples of Earned Income |
| :--- | :--- |
| $18-35$ | Up to $30 x$ |
| $36-45$ | Up to $25 x$ |
| $46-60$ | Up to $20 x$ |
| $61-65$ | Up to $10 x$ |
| 66 and older | Up to $5 x$ |

## Under Age 70 - Estate Growth Planning Guidelines

Using $3 / 4$ of standard life expectancy, apply a growth rate of $6 \%$ to the current net worth. Then multiply that number by $55 \%$. The maximum number of years we use for estate growth is 25 years.

## Age 70 and Older - Estate Planning, Money Purchase, Wealth Transfer and Asset Allocation Guidelines

We recognize the important need for the applicant to have sufficient funds available to handle any potential emergency and have access to cash reserves. The following guidelines have been developed to allow for weath transfer concepts while safeguarding emergency and overall living expense needs.

An insurable amount is determined by the insured's income and net worth situation. It will not be determined by what a single premium or a money purchase premium stream will buy. Single premium sales include 1035 exchanges, use of CD or other liquid instruments. Money purchase premium stream sales include concepts such as Annuity distributions, RMD from an IRA or 401K, pension, or other retirement distributions.

| Age | Net Worth |
| :--- | :--- |
| $70-80$ | $\$ 200,000$ to \$ 1million |
| $70-80$ | Over $\$ 1$ million |
| $81-85$ | $\$ 200,000$ and up |
| Annual Income | $\%$ of Income Used for Premium |
| $\$ 20,000$ to $\$ 50,000$ | Up to $15 \%$ |
| $\$ 50,001$ to $\$ 110,000$ | Up to $20 \%$ |
| $\$ 110,001$ and higher | $* 30$ to $40 \% *$ |

Allowable Maximum Face Amount
$50 \%$ of net worth
Using $3 / 4$ of standard life expectancy apply a growth rate of $6 \%$ to current
net worth. Multiply that number by $55 \%$ to arrive at the face amount
$50 \%$ of net worth
Special NOTE
*Income to premium ratio exceeding $30 \%$ will require a minimum net
worth of $\$ 1$ million. If income to premium ratio exceeds $40 \%$, evidence of
liquid net worth supporting a minimum of 5 times the target premium will
be required.

## Key Person

Will consider up to $10 x$ income for established businesses. Stock options, bonuses, perks such as housing and auto will be factored into compensation. We may reduce the factor for key persons over 60 based on the hours worked or years to retirement.

## Buy-Sell Or Stock Redemption

Amount of coverage will equal business or stock ownership percentage based on fair market value outlined in Buy-Sell Agreement. If Buy-Sell agreement is not created, provide information on how fair market value was determined and provide 2 years of Income Statement and Balance Sheet information or third party business evaluation.

## Juvenile Coverage

All states except New York and Washington New York

Washington

Up to the same face amount of life coverage that is on the parent to a maximum of $\$ 10$ million depending on case specific circumstances. Amounts over $\$ 10$ million require facultative reinsurance review. Under age 4 years and 6 months: The greater of $\$ 25,000$ or $25 \%$ of the amount of insurance on the person applying for coverage. Age 4 years and 6 months to age 14: The greater of $\$ 25,000$ or $25 \%$ of the amount of insurance on the person applying for coverage
Under age 18: The amount should not exceed the annual household income (earned and unearned). The amount should be proportional to the amount issued on siblings or immediate family members.
