To support people living with type 2 diabetes, we're working with Onduo, a virtual diabetes program. For qualified members, Onduo features include:⁵

- **Blood glucose monitor with test strips**
- **Onduo app to track your health**
- **Access to coaches and experts**
- **Some Onduo members may also be eligible for a continuous glucose monitoring system**

The Onduo tools can help you better understand how your body reacts to everyday decisions, while your Onduo care team helps you make more informed choices to stay on track.

The John Hancock Vitality Program

All Aspire members can take part in John Hancock Vitality. Choose from two great programs, Vitality GO or Vitality PLUS. They offer different levels of benefits and rewards to match your goals and interests. For example:

- **Premium savings of up to 25%²**
- **An Apple Watch for as little as \$25 by exercising regularly⁶**
- **Savings on healthy food purchases⁷**
- **Discounts on fitness devices**
- **Hotels.com discounts⁸**

Healthy activities earn Vitality Points. Vitality Points add up to Vitality Status. The higher your Vitality Status, the greater your potential for rewards.
