

HOW TO: PUT THE MOBILESUITE APP ON YOUR PHONE.

Want to run a Banner or William Penn term or UL quote? Submit a Request for Life Insurance Interview? Get Case Satus right from your phone? Here's how.

WHAT?

The fastest way to a Banner or William Penn quote is on your smartphone. We've got an app for that! Once you've run the quote, you can launch e-Link™, immediately develop a Request for Life Insurance Interview (RLI) and let the AppAssist Call Center take it from there. Once your application is in process, you can check status on your phone. It's a great "conversation starter" around the affordability of life insurance. The quote section of the app is open for all users; if e-Link™ is selected after the quote, a user name and password are required.
