Step 2: Possible Additional Expenses During Recovery

Step 3: Calculate

Step 4: Estimate Income Sources During Disability

Write down monthly benefits you might receive from public and private insurance sources.

My Anticipated Monthly Income	
Social Security Disability Income (SSDI) Workers' Compensation	\$
Benefits From My Employer's Sick Pay or LTD Insurance	
Family and Friends	
Withdrawals From Savings, Retirement and Education Accounts	
Withdrawals From Investments	
Other	
Total Anticipated Monthly Income	\$

Do The Math

Subtract 3 (your anticipated expenses at disability) from 4 (your anticipated income at disability). This amount provides an estimate of how much coverage you might need.

Then contact your insurance representative to find out how The Standard can help you protect your income or your business with income protection insurance solutions.
